Give your donors the convenience and confidence they deserve

More people are signing up for Direct Payment as their preferred way of meeting on-going commitments. Giving your donors a no-hassle way to pledge their support is the perfect way to prove why you should be their charity of choice.

It also gives pledgers peace-of-mind that their hard-earned dollars are going to an organization that's sincere about making every dollar count.

Get your funds flowing like clockwork.

The benefits really add up

Offering donors a Direct Payment option gives you good cause to celebrate. You'll realize:

Larger gifts: Monthly givers contribute 100 to 200% more.

Big savings: Lose the processing costs and save as much as 11¢ per donation.

Predictable cash flow: Vacations and busy schedules no longer mean skipped pledges.

Long-term loyalty: Studies show donors will stay for five to ten years.

Image boost: Reducing cost and hassles sends the message you're a cost-conscious organization.

Lifetime opportunity: Sets up the ideal framework for estate planning.

Our Direct Payment solution gives you more

4myContribution's easy, flexible Sustained Giving program actually costs less than traditional efforts, plus gives you:

- more funds to fulfill your mission and;
- more dependable income to expand your positive influence into new areas

Best part is, we do all the work for you. That means you can focus your resources where they really count—helping those in need.

Our mission is to help you fully realize yours.

It's tough to match the professional expertise and service you'll find with 4myContribution. You can count on our Direct Payment solution to be:

Easy: It doesn't get much simpler than our short registration form.

Flexible: Donors give however and whenever they choose. Bi-monthly, monthly, quarterly. By credit card or debit. Whatever fits their needs. Plus, they can be sure their generosity will be put to work fast.

Affordable: Others charge set-up fees from \$20 to \$500, monthly software usage rates between \$65 and \$80, and may tack on a \$5 to \$25 transmission fee. Our low cost is tied to your actual volume, with all transactions created equal at 45¢ or less.
